

26th June 2024

Bohunt Horsham Primary Bulletin

Welcome to your first Bohunt Horsham Primary Bulletin.

Welcome to the first of what will be many bulletins you will receive regarding the exciting activities taking place in school. Over the past few weeks, as well as final preparations for our Ducklings to arrive, Mrs Wright has been out and about visiting them in various early years settings across Horsham. She has been enjoying her time talking to the children and learning about their favourite toys and activities. It has also been wonderful for her to visit 12 different early years settings and experience the different environments where our Ducklings spend their time.

Ahead of our transition events, we would like to introduce you to Miss Castle, your Duckling Class teacher. Miss Castle will be joining us at our Teddy Bears Picnic on the 19th July but in the meantime she has sent us a lovely video to share with you all.

Please click on the link below:

[Welcome to Duckling Class](#)

Please can we also remind you that if you haven't already done so, could you complete the wellbeing consent form issued recently by our Admissions Manager. If you have any queries regarding the form please contact Mrs Sharkey directly on 01403 627430.

Finally, please see a reminder of all the essential dates you will need in the run up to our Ducklings starting in September.

We look forward to seeing you on the 4th July.

The Primary Team!
