

15th July 2024

Bohunt Horsham Primary Bulletin

Welcome to your Bohunt Horsham Primary Bulletin.

WOW! What an amazing afternoon we had last Wednesday at our Lets get Messy session! The sun came out and it was great to see everyone engaging with the activities available in the classroom as well as in our outdoor areas.

All the Bohunt Horsham staff who came to visit us commented already on how the children seem very at home and how wonderful it was to see them sitting on the carpet, just as if they were waiting for their first registration.

Friday 19th will be our last meeting before the summer holidays and our Teddy Bears Picnic with your reception teacher, Miss Castle! We know she is extremely excited to meet you all and is busy putting the finishing touches to her Duckling classroom.

Please remember to bring your picnic (no nuts please), blanket and of course, your teddy bear. We will be exploring a new area of our primary school, the playground!

We will also be on hand to take any outstanding paperwork you may still need to submit to us and answer any questions you may have regarding the schedule for when we return in September.

This is also a final reminder to complete the Wellbeing Form by no later than Friday 19th July. If you have any queries regarding the form please contact Mrs Sharkey on 01403 627430. [Wellbeing Form](#)

See you again on Friday!

Kind regards

The Primary Team!
