

Dear Prospective Colleague

Thank you for your interest in working with us. At Bohunt Horsham, we believe education has the power to change lives. Our ethos of “enjoy, respect, achieve” and our unwavering belief in high expectations, opportunity, and outstanding teaching combine to create something special - a place where both students and staff can truly thrive.

We are proud to be a coeducational, all-through school for ages 4-16, part of the forward-thinking Bohunt Education Trust. Our culture is ambitious, supportive and full of energy - recognised by Ofsted in 2023, when Behaviour and Leadership and Management were judged Outstanding. In 2024 and again in 2025, our students achieved the highest Maths and English GCSE results in Horsham, supported by a vibrant co-curricular programme that brings learning to life every day.

We believe the best way to deliver this success is through exceptional staff development. Every Wednesday afternoon is dedicated to professional learning - a time for collaboration, reflection and growth. While most schools offer around 30 hours of CPD per year, our secondary team receives over 100 hours and we give our primary team shared PPAs because we know that great teachers learn best together and we never stop learning.

At Bohunt Horsham, you'll find a community built on trust, ambition and genuine care - for our students, for each other and for our shared purpose.

If our values resonate with you, we'd love to meet you. Come and see what makes Bohunt Horsham such a special place to work, learn and grow.

With best wishes
